

## Harvest Chex Mix

### Sauce:

1 c Butter  
1 c brown sugar (packed)  
2 Tbs vanilla

### Mix:

1 12oz box of Rice Chex Cereal (I use 1/2 rice and 1/2 corn chex and whatever the store brand is)

1 7oz bag of plain Bugles

4 cups (or a 12-16oz bag) of pretzels

1 c candy corn (I use the mix of candy corn & pumpkins)

8oz bag of Reeses Pieces

I also add Sixlet (you could do M&M's) candy in fall colors (I shop Winco and they carry it in bulk), you can also add Sugar Baby candies or anything else you might like

### Instructions:

Preheat oven to 275

take 2 large jelly roll pans and spray them with Pam

Put chex cereal, Bugles and pretzels in a large bowl

Melt butter and add brown sugar and vanilla. Bring to boil, stirring constantly. Let boil about 2 min

Pour over cereal mixture and toss well

Spread onto the 2 cookie sheets

Put in oven for 45min - stirring every 15 min

Take out after 45 min and let cool (you don't want candy to melt) and then add in candies and mix.
