Volume 25 Issue 04

April 2023

President's Message

Hey everyone, I hope you are all staying dry and safe out there. We have had some very welcome rain and it should make for a beautiful Spring. Although I for one am getting tired of all these wet and dreary days. Speaking of Spring, I hope you all have a wonderful Easter and Passover with family and friends.

We had a terrific paint-in with Fran Wilson teaching Hello Fall, by Erika Joanne. We finished our beautiful pumpkins with washes of color and accents with pencil and now we all will varnish and decorate with buttons and twine. Thank You Fran for a very different class.

Onya put together, two great, spring raffle prizes with bird houses and bunny rabbits and some yummy candy carrots, etc. The lucky winners were Katy Taylor and Regina Taylor, congratulations!!

April also brings our Seminar with Maureen J Baker teaching the Pink Rose. Don't wait to sign up for this class because the background takes a day or so to cure before you trace your design. Maureen sent us a great video of how to prepare the background, you will receive this when you sign up for the class. Seminar sign-up sheet is available on page 5 of this newsletter. This is a ZOOM Only class and we will NOT be meeting in person in April. We will resume meeting in person in May.

We were very fortunate this year to receive 24 submissions for the 2023-24 year. We had a great turn out of voters. A PDF of the submissions was emailed to the remainder of our membership so they too, could cast their vote. The results are posted under programs.

Wishing you all a Happy Spring and Happy Painting!!

Linda Martin

A note about Programs

The votes are all in!! I want to thank everyone who voted promptly, it made my job go a lot faster. We had 24 submissions, for which we are very thankful. Thank you, teachers, for all your hard work and support.

We created the calendar as thoughtfully as possible taking into consideration the teacher's availability and the project etc. We needed 9 projects to complete the 2023 year and go into 2024 up to and including March.

Thanks, everyone for your support.

Sunshine & Shadows

A past member, Virginia Davies, has passed away. She was a member of our chapter for several years and had dropped her membership as her health was declining. Virginia was a wonderful person who loved to gather and paint with the chapter. She will be missed.

Charity

I just delivered a half a ton (1100 pounds) of food to South County Outreach. Thanks to Katy Taylor who has a friend who collects food for various organization and had a surplus. And thanks to Robyn McComb who helped Katy and me unload all 1100 pounds into my husband's Explorer. We then found out

South County was closed for the weekend so the food ran errands and went to church until it could be delivered on Monday 😊

Our next project will be putting together Easter Baskets. Thanks to all who have donated baskets and fillers and money. There is still time to contribute money if you'd like to be part of our charity. Just send it to me.

Mystery Paint-In

Hello PCA Friends. The MPI is going to be a good one. Please mark your calendar and invite all your painting friends. There is no limit on how many may participate. We are working hard to keep the price the same as last year's MPI. The price will include the project, goodies and lunch. More to come in the following months. Be sure to mark your calendar for Saturday, October 21st.

Egg Decorating in Central and Eastern European Cultures

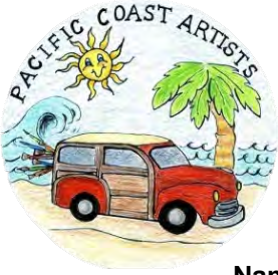

The tradition of egg decoration in Slavic cultures originated in pagan times and was transformed by the process of combining various religious beliefs into the Christian Easter egg. Over time, many new techniques were added. Some versions of these decorated eggs have retained their pagan symbolism, while others have added Christian symbols and motifs.

There are many types of decorated eggs produced in Slavic culture, and their names are usually based on the techniques used to prepare them. Shown here are Pysanky eggs from Ukraine and Poland. The decoration process uses the wax batik method. The process of dyeing has to be organized from the lightest to the darkest colors of the dyes. The wax protects the parts of the eggshells underneath it from being dyed, and when it's melted the patterns are revealed.
