November 2023

President's Message

We had a great Mystery Paint-in. I had several people come up and say thank you. The two people to thank are Katy Taylor and Onya Tolmasoff. They did a fantastic job of keeping the MPI teacher and project a secret and putting together a great day for everyone, right down to the food.

I love a surprise as much as everyone else, so I asked them not to let me know who it was. These two ladies did a fantastic job and I truly appreciate everything they did.

THANK YOU from the bottom of my heart!!

We have our last paint-in of the year coming up! Please sign up for this fun class with Onya Tolmasoff teaching Lisbeth Stull's Santa in an Oyster Shell. There is no prep, the shell is \$2.00, and we are all leaving with a unique ornament. So, grab a friend and join us.

At the MPI I handed out a Programs Questionnaire which I will be putting the answers in a spreadsheet to determine what types of programs we will have next year. For those of you who were not there, I will be sending out an email with the form attached. Please return it as soon as possible.

Our Holiday Party is coming up on Sunday, December 10th at June O'Connell's home, please see Lorean's article for the details.

This month we have a time change and will be turning our clocks back on the 5th, these time changes always take a little getting used to.

On the 11th, we will be honoring our veterans who have served this great nation. Hero's Hall at the OC Fairgrounds is a great place to visit and honor our veterans.

The grand finale for November is Thanksgiving which is a day to be thankful for family and friends as we gather around the table to celebrate. I feel so blessed to have such a great group of painting friends and I wish you a wonderful Thanksgiving.

Happy Painting,

Linda Martin

A big thanks to those of you who attended this year's **Mystery Paint-In**. If you didn't sign up, you missed a good one! Our own Pacific Coast Artist Member Lorean Weng was our Mystery Teacher. She taught Chinese Brush/Sumi-e painting techniques. I was impressed with everyone's final result, two hummingbirds and fuchsia flowers. Lorean is an excellent teacher. I would also like to give a big thanks to my "Partner in Crime" Onya Tolmasoff. It was hard work, and I couldn't have

done it without you. Lastly, if you have never tried this style of painting, you should. It is fun and relaxing. See you at the next paint-in.

In conclusion using the data, my job as programs chair is to go out and find teachers that meet these criteria. Bring you challenging projects that are skill building and incorporate, watercolor, colored pencil and new techniques using acrylics. You feel the class price is right, so I need to keep it at that price and hopefully you will all be available to take the classes. We always offer Zoom except for the MPI.

If you have any questions or feedback on the survey, I would like to hear from you. My email address is linda.a.martin926@gmail.com or you can call me 949-370-6753. I would love to hear from you.
